YOU!!!**

**Faulkner County's Litter Bug
Watchers Program**

License# _____
Make of Car _____
Color of Car _____
**Location and Type of
Offense** _____
Time _____ **Date** _____

**When you see someone littering your County
Roads call 450-4914 to report this information**

**Or mail to:
Sheriff's Department, 801 Locust St., Conway, AR 72034**

This is a citizen-based program for reporting people seen littering (cigarette butts included!!) The cooperative program is between the Sheriff's Department and Keep Faulkner County Beautiful.

The Tip Line Number is established for reports that should have as complete as possible the above information. Callers remain anonymous, however, the information will be verified as much as possible to avoid harassment. Offenders are then sent a letter from the Sheriff's Office to let them know someone saw them littering. No prosecution is pursued. The letter is the only step of enforcement, but they will be reminded of the extent of the state litter laws. They will be encouraged to help stop future littering violations, because it is the responsibility of every member of the community to make sure that it remains litter free.
